SPECIAL EDUCATION:

How to Navigate IEP / 504 / Transition Plans and Advocate to Get What Your Student Needs

This training will provide:

- ★ An overview of State and Federal laws regarding special education
- ★ Information on what are the responsibilities of the parent/guardian, school, county, and state in providing a Free and Appropriate Public Education (FAPE)
- ★ Specific information that explains the IEP and 504 process, including how eligibility is determined, when services should be sought, and communicating parent concerns
- ★ Timelines and overview of when transition planning should begin for students and what that entails
- ★ Information and tools to address the importance of and incorporating Self-Advocacy and Supported Decision-Making in the educational setting
- ★ Information on the tools to use and steps to take when it is suspected that a student's rights are being violated
- ★ Sample resources that can be duplicated and used for planning and in meetings
- ★ A comprehensive review of the documents and forms used in implementing special education services
